Dear Parents,

It is nice to be back at work after my long service leave. Thank you to all the students and parents who asked me about my break. I am glad to hear that the school ran really well in my absence. I knew it would. We are lucky to have fantastic students, parents and office staff.

**Lockdown**

The secondary school next door had a lockdown today. We received a lot of phone calls from understandably worried parents wondering if our school was also in lockdown. The answer to this question was no. If our school is in lockdown we will contact parents through our Tiqbiz app. I want to again encourage all parents to download this app onto your phone.

**Reports and Parent/Teacher Interviews**

I was very proud of our student’s reports. It is obvious that a lot of effort is being placed into school work and school behaviour. I was also pleased that we had a much higher attendance at parent/teacher interviews this year.

**Old Uniforms**

If any families have any old TLPS uniforms can I please ask that they are donated to our office area? We are especially short in small sizes of tracksuit pants.

**Building**

We have had significant concreting and fencing work completed in our school and have also placed additional external lighting in our school.

**Mobile Phones**

Teachers have reported an increase in students bringing mobile phones to schools. We would much prefer that they are left at home however if they are to come to school they must be given to the classroom teacher at the start of the day and they will be returned at the end of the day. Students can always be contacted by calling our school.

**Parent Opinion Survey**

Thank you to all parents who have completed and returned our Parent Opinion Surveys.

**Bunnings BBQ Donations**

We are still looking for donations for our Bunnings BBQ on August 21st. We especially are after drinks, bread and sausages. Please contact us if you can help us out with these items. Or have a contact who can help our school.

**Next Newsletter**

Our next newsletter will be released on August 19th.

Regards Chris

Dear Parents,

As part of our Physical Education program all children in grade Foundation to Six will be participating in the Taylors Lakes Primary School “Mini Olympics Fun Day” that will coincide with the opening week of the 2016 Rio Olympics.

This event will take place next Thursday the 11th of August.

Sessions 1 and 2 - Grade Four to Six plus 3KG, 3JS and 3CP.
Sessions 3 and 4 - Foundation to Grade Two plus 3EH and 3SB.
Session 5 - Closing Ceremony and Assembly.

As this event will be held on the school oval there is no need for any permission forms. Recess and lunch breaks will be as normal. Children need to bring water bottles and be wearing appropriate shoes and clothes suitable to compete in modified athletic events. Each child will have the opportunity to compete in each of the 10 events, representing their grades chosen country. Although the day will be run similar to that of an athletics carnival and students will be competing against others from their class the emphasis of the day is to promote Olympic spirit, participation and provide a fun and enjoyable day for all.

This day will be an out of uniform day. Students are asked to come dressed in the colors of the country their class has chosen to represent.

The country your child’s class has chosen to represent has been listed in the table below.

We politely request that parents do not attend. Although as parents you are a valuable part of your child’s education, this is a school event, not a family event, and it is a special time for your child to spend with his/her school friends and teachers.

Photos and a brief report provided by students on the day will be available on tiq biz for parents to view.

Thank-you,

Physical Education Teachers
Andrew Rayner and Sandra Psaila McDonald
